PART IV.

Official Papers.

Abstract of Season or Intermediate Reports for the Week ending 3rd June 1882.

Bangalore District.—Thirteen cents of rain in the Cantonment of Bangalore. There were a few showers in all the taluks, but chiefly in Devanhalli and Closepet. The harvesting of Vaisakha paddy in a few places and of sugar-cane throughout the District continues. Harka, gingelly and lamp oil seeds are being sown. Ploughing operations are in progress. Prospects of season favorable. Public health generally good, but fever and small-pox continue to prevail chiefly in the Taluks of Closepet and Kankanhalli. Murrain prevalent throughout the District. Drinking water and pasturage sufficient. Prices: rice 11¼ seers, ragi 24¾ seers and horse-gram 30½ seers per rupee.

Kolar District.—Rainfall scanty. Agricultural operations progressing slowly. In Kolar, the harka sajje and gingelly oil seed crops attacked by insects. Prospects generally good. A few cases of fever in Mulbagal and small-pox in Kolar, Malur and Sidlaghatta. Cattle disease abating. Fodder and water supply sufficient. Prices: rice 12 to 14 seers and ragi 26 to 32 seers per rupee.

Tumkúr District.—Seventy-eight cents of rain at Tumkúr. Moderate showers in the Taluks. Standing crops in good condition. Paddy, harka, javari, &c., were sown. Prospects of season fair. Public health good. Murrain here and there in the District. Drinking water and pasturage sufficient, except in the Maddagiri and Honnavalli Taluks. Prices: rice 11 to 13 seers, ragi 26 to 32 seers and horse-gram 28 to 40 seers per rupee.

Mysore District.—Standing crops in good condition. Kar ragi, cholam, oil-seeds, tuvar, avare and harka were sown. Prospects of season fair. Cholera and small-pox on the decrease. Prices of grain: rice 11½ seers, ragi 20 seers and horse-gram 25 seers per rupee.

Hassan District.—Fifty-five and three quarter cents of rain at Hassan. Standing crops in good condition. Gid ragi, paddy, ballar, dál, oil seed, &c., were sown. Prospects of season favorable. Public health good. Small-pox however prevails in parts of three taluks, as also fever in Hassan and parts of Arsikere. One fatal case of cholera occurred in the Arkalgúd Taluk. Murrain prevalent to a small extent. Drinking water and pasturage sufficient. Prices: rice 11 to 16 seers, ragi 20 to 28 seers and horse-gram 20 to 32 seers per rupee.

Shimoga District.—One inch 97 cents of rain at Shimoga. Sugar-cane and paddy seedlings in the Malnad are in good condition. Kar paddy is being harvested in Nagar. Paddy, ragi, jola, baragu, yallu and green gram were sown. Prospects of season good. Public health fair, but small-pox, fever and dysentery prevail to some extent. Cattle disease prevalent in some parts. Prices: rice 12 to 17 seers, ragi 20 to 30 seers and jola 16 to 30 seers per rupee.

Kadur District.—Twenty-four cents of rain at Chikmagalur. Sugar-cane and paddy, the principal standing crops, in good condition. Paddy, green and black-gram, sesamum, cholam, ballar and oil-seeds were sown. Public health good, but small-pox slightly prevalent in parts, as also cattle disease. Drinking water and pasturage sufficient. Prices : rice 12 to 14 seers and horse-gram 24 to 32 seers per rupee.

Chitaldroog District.—One inch 5 cents of rain at Chitaldroog. Rain also fell in the taluks except at Pavagada. Ploughing operations progressing. The crops under wells and tanks are in good condition. Javari, ragi, paddy, castor, green and black-gram, harka togari, &c., were sown. Paddy and javari were harvested in parts. Public health good. Cattle suffered from murrain in some parts. Drinking water and pasturage sufficient. Prices : rice 10 to 14 seers, ragi 28 to 42 seers and javari 28 to 45 seers per rupee.

By Order,

R. VIJAYINDRA RAO,
Secretary.
